Introduction

Our list has been developed to offer a balance of quality, value and interest. We have opted where possible for small artisan winemakers where quality and innovation are key, we have included notable names, and some home-grown award-winning wines and spirits South West England and Wales. We will only list wines we have tasted and liked and have included a short section of our current personal favourites in the "What We're Drinking" section on Page 7.

New to the list is a selection of quality non-alcoholic wines on Page 4 and an exciting range of non-alcoholic cocktails by NoLo Cocktails on Page 3.

Our style of service is characteristically relaxed. We offer you a taste to check the condition of the wine, pour a glass for each diner and then leave it to you. Whilst most of us have a qualification in wine, we can't guarantee we know everything but will promise to either answer your questions or point you in the right direction.

We are delighted to have been awarded an AA Notable Wine List Award again for 2023/24.

We hope you enjoy drinking from the list as much as we enjoy putting it together!

New for 2023 is our non-alcoholic wines section. We've spent months searching high and low to bring you a selection of quality de-alcoholised wines. With so many sophisticated non-alcoholic drinks now widely available we wanted to make sure we selected some really good alternatives to traditional alcoholic wines. We hope you enjoy these choices.

White:

- 70 **The Very Cautious One Gewurtztraminer/Riesling 0.0% alc/vol N/V** £19
Made with Australian De Bortoli wine which has been de-alcoholised in Belgium. A highly aromatic wine, with scents of rose water, musk and lemon zest. Offering a generously sweet palate which is balanced by the acidity of the Riesling
- 71 **Kolonne Null-Alkoholfreier Wein Riesling 2020 0.0% alc/vol N/V** £26
Germany, Mosel – elegant with pronounced Pinot characteristics. A partnership between Berlin based low alcohol wine supplier Kolonne Null and premium VDP wine producer Axel Pauly from the Mosel. Their vision is to preserve flavour and texture in wine whilst removing the alcohol. This slightly off-dry Riesling grown on steep stony soils is the fabulous result. Crisp orchard fruit aromas support lime zesty acidity, smooth texture and flinty minerality
